

ATLANTIC COATED PAPERS

ENHANCED STEAK,
MEAT, FREEZER AND
SPECIALITY PAPER

NORTH AMERICAN PACKAGING AND SERVICE

With world-class North American manufacturing facilities, we are a valued partner to top-tier food packaging converters, processors and distributors.

Utilizing advantages in our co-extrusion technology, we're able to offer significant savings to packaging businesses on paper, film and foil. We also offer a full range of extrusion coating, laminating, printing, aqueous coating, slitting and counter-wind operations to companies seeking traditional and compostable solutions.

NEED IT? WE DO THAT

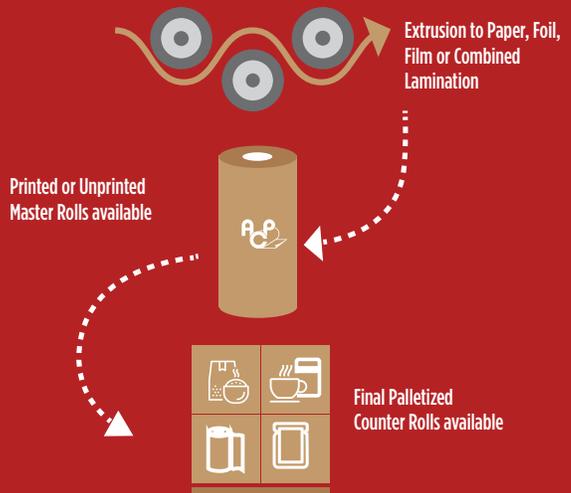

From our freezer wrap with moisture lock to oatmeal, sugar or drink crystal packaging we'll provide you excellent quality and value. Contact us today and let us help you find a solution for your packaging challenges.

SAFE, STERILE, CERTIFIED PACKAGING FOR FOOD

We are HACCP certified, meaning hazard analysis and critical control points are used as a systematic preventative approach to food safety. Biological, chemical, and physical hazards in production processes can cause the finished product to be unsafe, HACCP designs measurements to reduce these risks to a safe level.
